

MAŁY PRZYRODNIK

Kamila Budek, Oliwia Domańska

INSTRUKCJA

Jak korzystać z książki „Mały podróżnik”?

Przed rozpoczęciem lektury przygotuj kolorowe symbole obrazkowe znajdujące się na dołączonej planszy. Wytnij je i podziel rzep na tyle części, ile symboli znajduje się na planszy. Miękką część rzepu przyklej w miejscach oznaczonych w książce małymi kwadratami z półprzezroczystym symbolem.

Aby symbole służyły dłużej, zalecamy ich zalaminowanie przed wycięciem. Na ostatniej stronie znajduje się miejsce na symbole, do której przymocujesz rzep w trzech liniach, co ułatwi uporządkowanie symboli i zapewni dziecku łatwy dostęp. Stronę należy rozłożyć tak, aby symbole znajdowały się zasięgu wzroku i rąk dziecka.

Na początku udostępnij dziecku tylko symbole potrzebne do przeczytania konkretnej strony książki. Z czasem, w miarę postępów, możesz zwiększać ich liczbę.

Aby wspólne czytanie było jeszcze bardziej angażujące, zachęcamy do wspólnego komentowania.

Plansza może być używana również podczas czytania innych książek z biblioteki AAC – zarówno w domu, jak i w przedszkolu.

**Miłego czytania!
